Winchelsea School Careers Policy Statement including Provider Access Policy Statement

Introduction

Winchelsea provides a relevant and engaging careers curriculum which meets the differing needs and requirements of our pupils. This is developed throughout a pupil's time at the school and is always supportive of their abilities, strengths and skills.

Aims and purpose

- Prepare pupils for the transition to life after Winchelsea School through an extensive personalised careers programme developed from KS2 to KS4.
- Support pupils in making informed decisions about future pathways which are appropriate to them.
- Provide pupils with experiences in work related learning.
- Develop personal characteristics such as social skills, communication, independent life skills and resilience.
- Inspire and motivate pupils to develop themselves as individuals and live as independently as is possible.

This policy summarises the statutory Gatsby Benchmark guidance and recommendations. It then outlines the provision of careers education, work experience and provider access.

Statutory requirements and recommendations

The careers provision at Winchelsea School follows the guidance of the 8 Gatsby Benchmarks. All career support will focus on the needs of the individual.

Winchelsea will ensure that all pupils have access to training providers

Careers Provision through the curriculum

All pupils have access to

- Future Pathways career provision. This is taught once a week as a discrete lesson and embedded into the ethos of the school.
- Visitors in to school and offsite visits support pupils in developing their understanding of a range of different post 16 pathways.
- All pupils from Year 9, 10 and 11 have access to a meeting with advice and guidance from our SAMEE (www.samee.co.uk) advisor service to support their future pathways.

Key Stage 3

- Pupil pathways onto accredited and vocational courses are planned and prepared for in KS2 and KS3.
- Pupils take part in Enterprise projects throughout the school year.
- STEM events and projects are a key part of the KS3 curriculum.

Key Stage 4 (in addition to KS3 ongoing provision)

- Annual Reviews held with families and external agencies will support the individual routes into post 16 provision and meaningful work experience opportunities.
- KS4 pupils take part in the Duke of Edinburgh Award.
- Pupils in Year 10 and 11 undertake work based placements and opportunities to experience life in the community.

Work Experience

The overall organisation of work experience is undertaken by the Assistant Head to ensure the most relevant and engaging opportunities are taken.

Families are informed and communicated with throughout the process and a work experience agreement form and work experience information forms are completed.

All pupils on placement are covered by the employers' insurance and places of work are risk assessed by the Careers Leader in liaison with SAMEE.

Providers Access Policy Statement

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

- Pupils will access information about their accreditation qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- To hear from a range of local providers about the opportunities they offer, apprenticeships – through our options fayre, assemblies and group discussions and taster events;
- To receive support and understand how to make applications for Post 16 provision.

Management of provider access requests

Procedure:

A provider wishing to request access should contact John Kunzi - Assistant Headteacher and Careers Programme Lead.

Telephone: 01202 746240

Email: J.Kunzi@winchelsea.poole.sch.uk

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers:

| | Autumn term | Spring term | Summer term |

Premises and facilities

The school will make the main hall, classrooms or meeting spaces available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with John Kunzi Careers Programme Lead. This will be made available to pupils and families as appropriate.
